LinkedIn: [linkedin.com/in/vishal-tomar-54068a281](https://www.linkedin.com/in/vishal-tomar-54068a281)

## OBJECTIVE

"To leverage my technical skills, problem-solving abilities, and passion for technology in contributing to innovative projects while gaining practical experience in the field of computer science."

## EDUCATION

Indore Institute of Science and Technology, Indore	Grad: 2025
B. Tech in Computer Science and Engineering	CGPA: 7.55
St. Augustine School, Punasa, M. P	2021
Higher Secondary Education – 80.2%	
St. Augustine School, Punasa, M. P	2019
Higher School Education – 74.8%	

## SKILLS

Languages	C, Java, JavaScript, HTML, CSS
Frameworks	Node.js, Express.JS, React.js, Bootstrap
Tools	Git, GitHub
Databases	MySQL, MongoDB

## PROJECTS

### Room Rental Platform (<https://findyourhome-tlba.onrender.com>)

- Developed a web-based room rental platform using **HTML, CSS, JavaScript, and MongoDB**, enabling seamless property listing, discovery, and user interaction.
- Integrated features like **image uploads, amenity filters, verified listings, and reviews** to enhance usability and trust on the platform.

### Global Gateway: Tourism & Booking Platform

- Built a web application using **HTML, CSS, JavaScript, Express.js, and MongoDB**, allowing users to browse, book, and manage travel services.
- Integrated user authentication and validation features to enhance security, preventing unauthorized access and ensuring data accuracy.

### Frontend Clones & Java-based Calculator

- Created clones of popular websites using **HTML, CSS, JavaScript, and React.js**, and Developed a basic calculator using **Java, Servlet, and JSP**.

## INTERNSHIP

### IBM Skills Build – Front-End Web Development (August 2024)

- Successfully completed a front-end web development program under IBM Skills Build, focusing on modern web technologies such as **HTML, CSS, JavaScript, and React.js**.
- Developed responsive and user-friendly web applications, ensuring seamless functionality across various devices and browsers.
- Gained hands-on experience in version control using **Git and GitHub**, streamlining collaboration and project management.

## CERTIFICATIONS

- Amazon AWS Academy – Feb 2024
- SQL and Relational Databases 101 (Cognitive Class) – Nov 2023
- Web Development (EdX) – Jan 2024
- Cybersecurity Basics (EdX) – Jan 2024
- Full Stack Web Development (Apna College) – Jan 2025
- Hackathon Participant (Internal Hackathon) – Mar 2024
